

# SUSHMITHA K M

## COMPUTER SCIENCE ENGINEERING STUDENT

Email: sushmithakm311@gmail.com | Phone: +91 6363891804 | GitHub: github.com/sushmithakm311

### CAREER OBJECTIVE

Motivated Computer Science Engineering student seeking an internship and entry-level opportunities to apply and expand foundational skills in web development, programming, and core software engineering practices within a dynamic professional environment.

### EDUCATION

Presidency University

B.E. in Computer Science Engineering (3rd Year, 5th Semester)

Bengaluru, India

2023 — Present

### TECHNICAL SKILLS

Languages: Java, JavaScript, HTML5, CSS3

Frameworks & Tools: React.js, Vite, Tailwind CSS, Git, GitHub

Databases: Database Management Systems (DBMS), SQL

### PROJECTS

Personal Portfolio Website

Frontend Project

- Designed and developed a fully responsive, modern single-page portfolio website using **React.js**, **Vite**, and **Tailwind CSS** to showcase digital profile, academics, and project credentials.
- Structured clean component architectures and utilized modular patterns to achieve optimized page load performance across varying device viewports.
- Managed project versioning and distribution codebase records securely via GitHub tracking workflows.

### EXPERIENCE

Web Development Intern

Remote Internship

- Worked on prototyping and styling responsive user interfaces for modern web applications, focusing on intuitive layouts and accessibility.
- Gained hands-on practical exposure to full-stack web development principles, cross-browser compatibility debugging, and clean coding architectures.

### DECLARATION

I hereby declare that the information provided above is true to the best of my knowledge and belief.
